Approve 3 timers, 3 reminders

Monitoring 06:20

Your alarm

06:50

Unchanged. It will ring.

Rail data unavailable

I can't see live trains right now, so I'm not watching your 07:57.

No answer from the rail provider since 05:58. Last good check at 05:52 showed the 07:57 on time. That may be out of date.

Retrying every 5 minutes until 08:00.

Try again now

Remind me to check trains at 07:15
In case it's still down when you're up

Weather still updating
Forecast from 06:05: rain until 09:00

OK
